ONLINE SAFETY

"Protect your personal information and think before you click to stay safe online."

This sentence emphasizes the core principles of online safety: safeguarding personal data, being cautious with online interactions, and avoiding risky websites or links. It captures the essence of safe internet practices, including using privacy settings, recognizing scams, and maintaining responsible digital behavior, making it suitable for educational or awareness purposes.

To request for few extra days to complete the assignment.

Respected Ma'am/Sir,

I hope you are doing well. I am writing to request an extension for submitting my assignment due to personal reasons.

I kindly request you to grant me a few extra days.

Thank you for your understanding.

Yours sincerely,
Tulsi sharma
